Dear Gladys

I'll bet I didn't spell your name right, did I? My spellings of per usual. Well now two of my tests are over and so far I haven't done so bad. Well I probably won't see you very often anymore but you had better come over & see me once in a while anyhow. I'd just get to go into nursing I want you to come up & see me there. O Boy! It's been grand knowing you and we've had lots of fun, anyway I think so, Here's wishing you loads of joy and success and so forth in the future 'cause you deserve it if anyone does.

SENIOR CLASS HISTORY

The class of 1941 was the largest in the history of Hastings High School. In this group of 235 students, the girls outnumbered the boys by eleven. The officers in their Senior year were Don Hughes, president; Bob Fuller, vice-president; and Phyllis Weyer, secretary-treasurer. Many honors were gained by these boys and girls.

In the Junior year the class numbered 271, 134 boys and 137 girls. The officers were Marjorie Johnston, president; Charlene Stratton, vice-president; and Paul Whelan, secretary-treasurer. Some of these as Juniors made records for themselves in scholastic honors, dramatics, debate, music, and sports.

In their Sophomore year, this group elected Gus Douvas, president; Bob Newman, vice-president; Dick Hunter, secretary; and Ray Scholtz, treasurer.

Their ninth grade operetta was "The Magazine Princess."

Pennington, the "Pickle King", Don Webster; his daughter June, Sue Bennett; Lady Delancy, Eve Anderton; Captain Kinski, Ed Nordheim; his assistants Rumski and Bumski, Dale Dominy and Kenneth Fowler; Louisa, Glenda Jean Karr; Ilona, Margaret Hunter; Hans, Don Brown; Arthur Crefont, Clare Denton; and Jigo, Don Loudon.

The entire production was under the supervision of Miss Mary Frances Collier, who was assisted by the ninth grade sponsors and the other music directors.

## Junior High Music

The Junior High Band under the direction of Mr. Lloyd Perry has enjoyed a successful season. The band appeared nine times at convocations, P. T. A. meetings and various civic gatherings.

The Junior High Orchestra also showed much ability under Mr. Perry's leadership. It appeared on seven programs, including a concert where it was combined with the Junior and Prep Bands.

The Prep Band is an organization for the purpose of training beginners for service in the Junior and Senior organizations. Under Mr. Perry's direction this group gave three performances.

## Senior High Music

The Hastings High School Orchestra and small ensembles maintained the same high standards of music this year which they have in years past.

The stringed orchestra under the direction of Mr. M. H. Shoemaker made three public performances, two of which were presented over the radio.

The full orchestra of seventy-two members presented the most outstanding concert of the year on March 5. The selections included Mendelssohn's "Concerto in G Minor" with Don Regier, Marcia Johnson and Helene Koelling as piano soloists. DeLores Sime and Fofi Cosmos sang two duets. Two difficult overtures and three stringed numbers completed the evening's entertainment. It was the best, yet most difficult, program presented by Hastings High School. The orchestra appeared in uniform for the first time at this concert.

The string quartet was the most active organization of the orchestra with twenty-five public appearances. Its membership was Phyllis Weyer, Phyllis Carpenter, Joan Compton, and Jack Wier.

## Senior Band

The Hastings High School Band has left an excellent record of its year's activities.

The entire band under the direction of Mr. M. H. Shoemaker gave two very good concerts; one was broadcast. A sixty piece marching band participated in four parades and marched in formation at four football games. The drum majors for the year were Don Hughes and Bob Easter.

For the ten basketball games the band was divided into two units which played at alternate games under student conductors.

Small groups have been more active this year than ever before. Outstanding among these was a twenty-one piece band which gave an excellent concert on the stage of the Masonic Temple. This band also presented the first radio broadcast of the year.

The trumpet trio, composed of Bob Fuller, Bob Moreland and Roger Yarnall, made several public appearances. Three of these programs were broadcast. This is the second year this trio has played before the public.

Ray Scholtz, Don Cottingham and Harvy Galloway made up a trombone trio which played on several occasions. For novelty, Kenny Krutz and Dick Finnerty formed a clarinet duet.

Hastings was host to the District Music Contest on April 18—19. The band and many soloists and small groups received high ratings at this event.

Programs for each group consisted of speeches, demonstrations, discussions, various entertainments and recreations. Both organizations made a study of cosmetics, hair, clothing, and personality. Several handicraft groups were arranged and different hobbies were also discussed.

The Girl Reserve District Conference was held in Grand Island on October 4 and 5. Delegates from Hastings were Birdie Stein, Norma Stephenson, Dorothy Bouricius, Zora Yearick, and Maxine Brown.

This year's financial projects included the making and selling of yarn doll pins and the selling of candy and ushering at the Show of Progress. Some social events were a Christmas dance, a chili supper, and a Little Sister Party given by the Junior-Senior club for the Sophomores.

The group was taken through the Hastings Radio Station, KHAS, by one of the announcers, Russell Van Dyke. Captain Robert Van Fleet of the Hastings Fire Department gave a talk on the iron lung recently purchased by the city of Hastings, and members were allowed to see the lung and how it operates. Other guest speakers during the year were Mr. R. O. Canaday, Mr. Arthur J. Sigel, William T. Jacques and Henry H. Herpolsheimer.

## F. F. A.

F. F. A. is an organization of twenty-five members who receive training in organization and leadership, and encouragement in thrift and cooperative effort.

Meetings were held twice a month during the school year and throughout the summer. Each business session was followed by something of special interest: basketball and ping-pong tournaments, and guest speakers. The publication of a monthly newspaper played an important role.

Requirements for membership are: each boy must be a student of vocational agriculture, he must plan and execute a project and he must receive a majority vote of the other members.

In contests at Grand Island, Kearney, and Lincoln, judgments of some members were highly rated. Ernest Reiner won the 1941 one hundred dollar Union Pacific scholarship.

## Kosmet Club

Approximately fifty members of Kosmet, selected semi-annually by tryouts, met the second and fourth Mondays of each month.

The purpose of the club is to study dramatics by participation in and direction of plays. A new system was worked out whereby one play with costumes, make-up, and proper management was presented once a month. To learn other technique, original solo pantomimes were given by members and reports were made concerning various important features of drama.

The play, "The Woman Who Understood Men," was presented at the Hastings College Speech Contest where it rated first in the humorous division. Other programs presented for Christmas convocations and civic organizations were favorably received.

Under the able sponsorship of Mr. Hawk and Miss Oliver, the club enjoyed a worthwhile year.

## Debate

Mr. Siekman's class of twenty-four debaters, six seniors, twelve juniors and six sophomores, has a very outstanding record this year.

In all tournaments, eleven Hastings teams won one hundred twenty-six debates and lost thirty-seven. In contest "meets" alone, eleven teams won one hundred and lost nineteen. Senior debaters, Bob Fuller, Dick Hunter, Gus Douvas, Ray Scholtz, and Marko Haggard who composed the major Hastings teams, won sixty-five contests and lost eleven.

Hastings debaters entered eight tournaments and won five. Those entered were at Midland, Wesleyan, Holdrege, Doane, Hastings College, and Norfolk.

At the Annual Midland Tournament Gus Douvas won the one hundred dollar Scholarship as the best debater in the tournament. In the Norfolk Invitational Meet both Hastings teams were undefeated and won the debate trophy. Ray Scholtz was first place medal winner. Hastings' "A" team won the "A" division trophy in the Lebanon tournament with sixteen wins and no defeats.

## Declamatory

Hastings speech students won the sweepstakes cup in the Hastings College Speech Festival. Hastings debaters ranked third and fourth in team results. Gus Douvas and Marko Haggard received two of the three superior rankings awarded to individual debaters.

Eight declamatory students, coached by F. M. Hawk, made an outstanding record in the three contests they entered. At the Kearney Inter-High School Contest, March 21, first place was given to the one-act play "The Woman Who Understood Men." The cast included Billee McManigal, Gladys Lynge, Clark Marshall, Harriett Pratt and Kenneth Einsel.

At the Hastings College Speech Festival on February 21 and 22, first place was given to Dorothy McDermott, humorous reading; Marko Haggard, original oratory; and Gladys Lynge, humorous reading. "The Woman Who Understood Men" again received first place.

March 28 at the District Four Declamatory and One-act Play Contest in Loup City, Hastings entered the class A division.

Superiors were won by Dorothy McDermott, humorous reading; Charlene Wicker, dramatic reading; and the play "The Woman Who Understood Men." Excellents were received by Marko Haggard, original oratory; Don Hughes, extemporaneous speaking; and Harriett Pratt, interpretative oratory.

## Student Council

Student Council is composed of representatives selected by each home room. Regular meetings were held the first Wednesday of each month.

The purpose of this organization is to arouse a spirit of loyalty toward the school, to promote good citizenship, to sponsor school activities, to extend a feeling of good fellowship among the students, and to foster a spirit of cooperation between students and faculty. This purpose was fulfilled in the many duties performed by these people. Some of the tasks were: the planning of interesting and educational convocations, the drafting of measures for school dances, the organizing of new clubs, the acquainting of new students with our system, and the helping of the faculty and other students when it was requested.

The group was divided into two staffs which alternated in putting out the paper. Students were appointed to staff positions by Mr. Hawk, journalism instructor.

The class studied newswriting, printing, make-up of newspapers, and general newspaper terms. As a special project the staffs made a tour of the Tribune building.

## Kearney Contestants

Students who may enter the scholastic contests at Kearney each year are chosen on the basis of citizenship, grades, and the ability to think accurately and quickly. Each contestant was permitted to enter in as many subjects as he wished, provided he was taking those subjects at that time.

This year's record, like that of former years, was one of which Hastings' schools can be proud.

There were 537 contestants from 42 towns, but Hastings was winner of the sweepstakes trophy. We had fourteen first places, seven seconds, and thirteen thirds, to help build our total of one hundred-fifty-four points.

## Football Regulars

The season of 1940 gave us the greatest football team in the history of the school. No major team in the state could claim a record so impressive. In the ten games played the Tigers were undefeated and untied. The Mid-East conference crown and also the annual Omaha World Herald mythical state championship trophy were awarded to Hastings High.

The measuring stick of a successful season this year, as usual, was the thrilling victory in the bitter struggle with Grand Island. Eleven weary, fighting Tigers finished the full sixty minutes and held the Islanders to a lone safety.

The Tigers made a good early season showing in beating Jackson 19-7 in the first game. Then a highly touted Fairbury team fell before the Tigers to the tune of 38-6. A capacity crowd of almost 5,000 enthusiasts jammed the bowl at McCook to see the Tigers whip the unbeaten Bisons. In the five times the Tigers had possession of the ball they marched to three touchdowns, punted once and ended the game holding the ball.

Norfolk fell under an avalanche of passes and was the sixth victim in the Tiger march. The first team scored 26 points in thirteen minutes against the Kearney Bearcats.

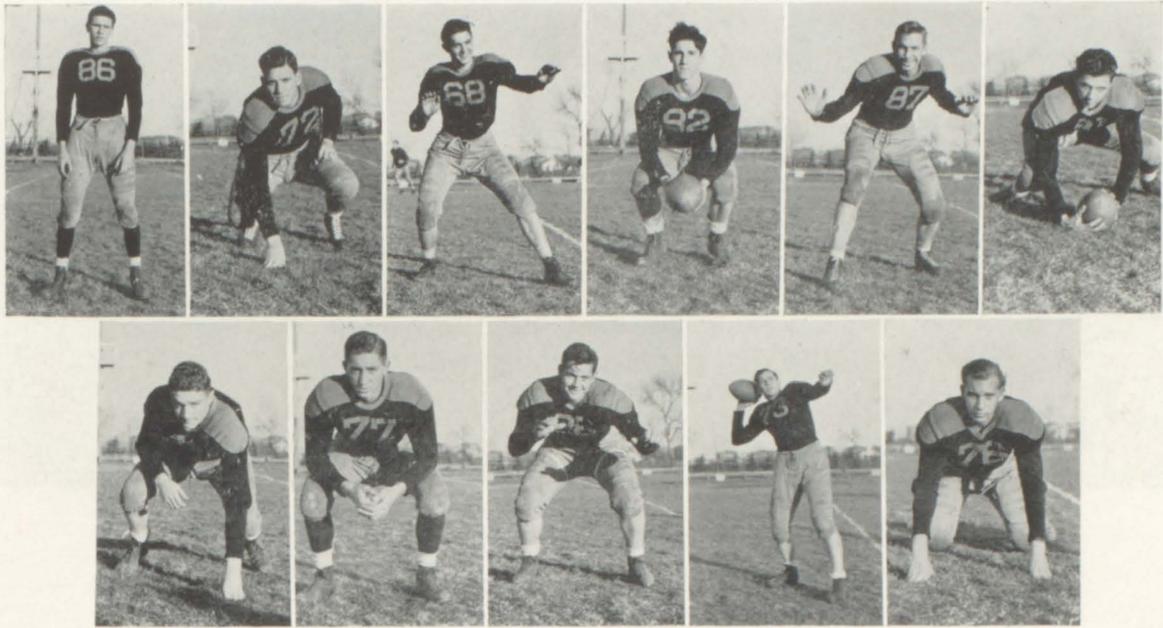

The York Dukes were leading the Tigers 7-6 at half-time but the Tigers came back and punched over fifteen points in the last half. On a slippery field the Beatrice Orangemen held the Tigers to two touchdowns in the last Mid-East game.

In a Thanksgiving Day game at North Platte the Tigers had their perfect record at stake. The inspired Bulldogs scored first and were leading at the end of the third quarter by thirteen to twelve. But the visitors came back and made the final score eighteen to thirteen.

Untold credit is due Coach Eldon Miller in building this championship team which rolled up a total of 2,303 yards compared to the 940 of their opponents. The statistics as well as the scores bear evidence of the Tiger's superiority in every game.

Here is the record:

Hastings 19	7 Jackson
Hastings 38	6 Fairbury
Hastings 6	2 Grand Island
Hastings 25	7 Crete
Hastings 19	7 McCook
Hastings 38	0 Norfolk
Hastings 32	7 Kearney
Hastings 21	7 York
Hastings 12	0 Beatrice
Hastings 18	13 North Platte

## The Reserves

A praiseworthy record is that of Roy Bassett during his four years as assistant coach. This year he again produced a winning team with the able assistance of newcomer Don Hansen, and Lewis Dailey who coached the "Z" squad.

The Tiger "Cubs" scored in the first few minutes of the opening game against Harvard. Conger intercepted a pass and ran 85 yards for a touchdown. A few plays later Bruntz went over after a 25-yard gain. Harvard tallied twice in the second period, but neither team scored the last half.

The Reserves chalked up six touchdowns against the Nelson seconds. The Nuckolls County boys crossed the double line only once against the team of their former coach.

The annual G. I.-Hastings tilt was almost as close and spirited as the regulars. The "Kittens" won by the close margin of 6-0. Bruntz scored the lone touchdown in the third period after a sustained drive following the kickoff.

In the season's final the "Cubs" suffered their only defeat at the hands of the Blue Hill seconds. After Blue Hill scored a touchdown and an extra point in the second period, the "Future Tiger Stars" came back in the third period to score but failed to convert. This was the third defeat for the "Cubs" in four years under Bassett.

## Gymnastics

During the past few years a little known sport, gymnastics, developed through the boys' gym classes. With its growth has come an interest in Nebraska High School prep circles.

A contestant is judged in three phases of his performance: difficulty of the feat, 30 points; continuity and smoothness of action, 15 points; and approach and retreat, 5 points. There are five events: tumbling, parallel bars, horizontal bar, flying rings, and side horse.

Last year for the first time there was held a State Gymnastics Meet which Hastings won. Willard Pettis took all-round honors. This year the Tigers again captured the state crown. Delmar Friend was first on the side horse and the rings, and fourth on the parallel bars to win a place in all-round competition. Joe Peters took second on the rings and third on the horizontal bar. Ted Zona won second place on the side horse.

The squad competed in three meets this year. In a quadrangular contest with Beatrice, Omaha Tech and Benson of Omaha; the Orange and Black finished second to Beatrice by a score of 47-39. Three weeks later in a dual meet the Tigers scored a triumph over Beatrice.

This year's team was built around last year's three lettermen: Friend, Peters, and Zona. Seniors were Dick, Peters, and Zona. The only Junior was Hitch while Sophomores supplied five: Bentz, Freeburger, Friend, Ed Robinson, and Thayer.

Back Row: Coach Bassett, Burroughs, Smith, Burchess, Harse, Thaut, Coach Miller.  
 Front Row: Moore, Stransky, Brandt, Livingston, Bramble, Whelan.

## Basketball Regulars

The '40-'41 Hastings High basketball team was one of the most interesting because of the many thrills it gave the audiences. In winning 16 out of 20 games the Tigers won six games by one or two points.

Although they defeated Jackson 23-22, a loss to Fairbury put the Tigers in a tie position for the Mid-East honors with Jackson High of Lincoln. The Tigers scored 110 points while their rivals had 112. The worst trouncing Hastings had was at the hands of Lincoln to the tune of 41-23. The season's high was 49 points against North Platte as the Tigers turned red-hot and poured in baskets from all angles.

The Tigers won a hard fought 40-38 victory against G. I. during the course of the regular season. The third city boys retaliated by eliminating the Tigers from the District Tourney. The score was 26-24 in a nip-and-tuck game. Both games were characterized by the usual high spirit of rivalry.

For the first time in 20 years the Orange and Black was not represented in the state tournament. This is one of the longest standing records of successive participation in the State Meet.

Next year we can expect a better than average team. Out of the ten lettermen only two graduate, five Juniors and three Sophomores return. The Seniors are Bill Harse and Harry Thaut. The Juniors are Dallas Bramble, Don Brandt, Bob Burroughs, Bob Smith, and Les Stransky. The three Sophomores are Dale Livingston, Harold Moore, and Jerry Whelan.

## Basketball Reserves

A big factor in the continual success of the teams at Hastings High lies in the fact that the regulars are well grounded in the basic training which is received on the Reserve squad. This is evidenced by the record of four wins out of six scheduled games this season.

In the opening game the inexperienced "Cubs" lost to Roseland 21-11. Not to be out-classed by the first two teams the freshman team walked over Ayr 28-16. This is an example of the well balanced forte developed by "Joe" Cummings and his assistant, former Tiger star, Jerry Nemitz. The real test of the Reserve squad comes the following year when we see them as regulars.

## Track

Some fifty candidates reported for track this year including three lettermen—Warren Burr as dash man, Jerry Taylor in the sprints, and George Stransky in field events.

In the first meet of the season the Tiger squad was defeated by the Grand Island cindermen. Although the Tigers were weak in field events, they scored  $63\frac{1}{2}$  points to  $79\frac{1}{2}$  for Grand Island.

Taylor won the 100 yard dash and McKean the mile run, while Burr tied for first in the 440 yard dash and took first in the 100 yard low hurdles. Burroughs captured the 880 yard run, and Komarek won the javelin.

Preceding the Mid-East conference meet at Hastings the Tigers entertained Nelson and York respectively in dual meets. The 1941 track team was somewhat handicapped by the loss of Vernie Van Wie to the army. Last year Van Wie set a new school record for the 120 yard high hurdles.

Another new school record was set last year by Paul Perceful in the mile run.

## Girls' Athletic Association

This girls' organization is for the purpose of encouraging girls to participate in sports and to promote standards and ideals of health and good sportsmanship.

Members must be in senior high. They must earn a required number of points within four months. If the girls meet these requirements, they are initiated. After becoming a member, every individual may win four awards—two local and two state letters. For each successive letter earned more credits are required.

These points are obtained by participating in organized sports; such as, hockey, baseball, soccer, basketball, volley ball and Nebraska ball. They are also received by taking part in unorganized activities; such as ping-pong, tennis, badminton, shuffleboard, hiking, and skating. Class and progressive tournaments are played at the end of each sport season.

The membership for this year was twenty-eight. Miss McConchie, girls' gym teacher, sponsored the group.

Main events and activities of the G. A. A. year were the initiation, the annual G. A. A. Play Day, candy sales at football games, dance clubs, a roller skating party, and various tournaments.

## Cub Club

For the first time this organization was opened to all senior high girls who could obtain the orange and black sweaters.

The cheerleaders, Bob Newman, Bonnie Jean Nelson, Dick Hunter and Betty Snell, under the direction of the sponsors Miss McConchie and Mr. Shoemaker, handled the cheering and stunts at various games.

Activities consisted of performing between halves of both football and basketball games, of selling season football and basketball tickets, and the sponsoring of pep meetings. Many members represented Hastings at out-of-town games.

The aim of the club is to promote pep and enthusiasm, and uniform cheering at all games.

# Theme

We have chosen this year, as our theme the subject which interests us most—kids! To put it in other words, the theme of your 1941 annual is none other than Modern Youth! This idea is portrayed by the various division pages.

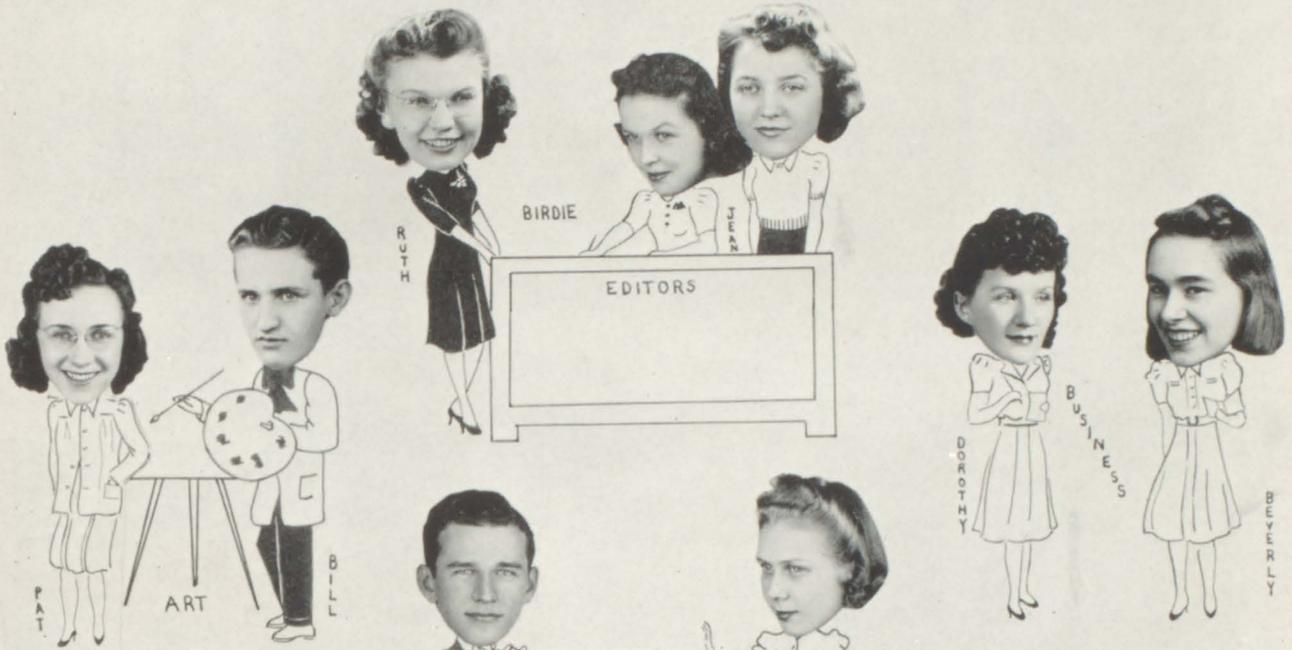

# Appreciation

The staff wishes to extend its appreciation to the art classes who carried out the theme for the annual: Miss Edyth Beezley, and Mr. R. A. Watson who assisted us in compiling our information, and everyone of the teachers and students who helped in every way to put out a good annual. Thank you all!

# FINIS

Dear Gladys,

Remember our evenings in Art Class laughing at those old annuals. Wasn't Talloc a beaut! Who ever created him had a nightmare, but definitely. Our friendship was started in an odd way wasn't it? We talked to each other in English class and then — well you know.

We haven't done anything except lose our shoes in a show, (because the interruption, the dog was growling) stand on street corner & talk, etc. Remember the Music contest and those swell kids. (you one your self! Baucabrate was funny wasn't it those collars poking us and our hats about ready to fall off. Oh swell so much for that! Don't forget your super - duper intelligensia of a friend. I'll come over and help you take care of your children about 5 yrs. from now. Sincerely yrs. Tudie Stover Matron of O. H. F. #1 M. 2
