DEDICATION

The Senior Class of 1979 dedicate this annual to all the good times and memories of our past thirteen years at the Coleridge Community School.

Good morning yesterday, you wake up, and time has slipped away. And suddenly it's hard to find the memories you left behind, remember, do you remember?

The laughter and the tears, the shadows of misty yesteryears. The good times and the bad you've seen, and all the others in between, remember, do you remember?

So, gather moments while you may. Collect the dreams you dream today, remember, will you remember?

Hey sexy!

Is this the Ronnette hop?

HOMEcoming

A P P E N I N G S

Spirits are fed by the warm fall weather, there's unusual activity throughout the school and football is the only word.

It was homecoming week at Coleridge High School. As all big events require weeks and hours of preparation, so does the biggest event of the season at a small town high school. Anticipation runs high as discussions center around the "big" game, the crowning of the king and queen, and the gala dance at the end of it all.

But what takes place during the week of homecoming?

Outlandish dress codes, good natured kidding around, and a feeling of fun and gaiety. But mostly work. Everyone was going to make sure that HOMEcoming 1978 was the best yet!
