Ninth Grade Operetta

An Old Spanish Custom was the story of a scion of an old Castillian family in California and heir to the Rancho Rivera. Victim of amnesia after a plane crash in France during the World War he suddenly recovered and hastened back to America to find that he was believed to be dead. Discovering that his rascally lawyer had sold everything and given an option on the place to an eastern railroader, he sent for several friends who had been with him in France. Later the hero, disguised as a harmless guitar player, fell in love with the daughter of the easterner.

Many exciting incidents and beautiful Spanish settings, made the operetta an interesting and charming production.

Principal characters were: Kit, Dorothy McDermott; Bee, Marian Schwein; Stan, John Korslund; Maria, Gertrude Klein; Billie, Margaret Pauley; Silas, Don Brant; Don Jose', Russell McIntire; Pat Murphy, Alfred Garratt; Policeman, Bob Stratton; and Chinaman, Bob Easter. The supporting cast was the entire ninth grade.

Mr. M. H. Shoemaker, assisted by Miss Fern Brooks and the sponsors of the ninth grade, was in charge.

Don Watson,
I don't know you very
well but I've enjoyed having you.
Miss Gertrude

Junior High Band

Mr. James King directed this group of fifty members. Under his leadership a convocation program, an out-of-doors concert, and music at basketball games were produced. From the organization the Senior High Band will select many capable musicians.

Junior High Orchestra

The orchestra, directed by Mr. Richard Duncan, was composed of forty boys and girls. Its public appearances were limited to school programs, but were highly commendable. Talent for future orchestral groups was evidenced in the group.

Choral Music

The music department of the Junior High School has a strong choral organization under the supervision of Miss Fern Brooks. This section has produced programs and concerts at times during the year.

These three groups have offered opportunities to all the junior high pupils who had interest or aptitudes for music in any phase.

Cub Staff

"The Tiger Cub," official school paper, published bi-weekly by the journalism class under the supervision of Mr. F. M. Hawk, has furnished a complete printed record of the school activities of the past year.

This year, as last, the class was divided into two staffs which alternate in publishing "The Cub." Rivalry between the two groups created a great incentive to produce a better paper than each preceding one.

For the first time in several years, "The Tiger Cub" has been entered for evaluation in the Nebraska High School Press Association. Dick Yarnall, an editor, won third place in the State news-writing contest at the association convention.

Kosmet

Kosmet Klub meetings were held the second and the fourth Monday of each month. Members were selected by tryouts held semi-annually. The number of members was limited to approximately fifty. Two parties, one after the first initiation, and the other at the close of the year, constituted the club's social activities. Mr. F. M. Hawk and Miss E. J. Hilton sponsored the organization.

The purpose of the Kosmet Klub is to study the art of dramatics by acting in and directing plays. The one-act play has been the greatest help in accomplishing this purpose because it is short, yet contains the important dramatic elements. Since a number of one-act plays could be given at one meeting, each member had opportunities to direct or act in plays during the year.

The programs this year have been more varied and more rounded in dramatic qualities than those for several years previous. From the farce and comedy to the tragedy and melodrama, from standard one-act plays to original creations, the programs have afforded much knowledge of drama and pure entertainment. Other programs have been made up of readings or musical numbers. Reports have been given by people both outside of and within the group. An outstanding play review was given by Mrs. J. C. Cottingham. Another interesting play was reviewed by James Krulish. Members of the speech class also gave reports on such topics as make-up and personality.

For the first time in several years a three-act play, *Aaron Slick from Pun'kin Crick*, was presented for the public. Other plays were given for convocation or before civic groups and church organizations.

Student Council

This organization is composed of representatives from each home room. Regular meetings were held, and questions of interest to the school were discussed. During the past year the alternates played a much more active part than in former years. This was due to various reasons, but the most important ones were the many duties of the regulars, the keen interest of the alternates, and the new tasks of the club.

Not only have these people planned interesting and educational programs for convocations, but they also assisted in acquainting new students with our routine, helped the faculty when asked, and were, truly, a counseling body.

A new and absorbing task was the preparation of a "Hastings High School Handbook" which is to be printed during the summer, and to be in the hands of all new pupils this fall. This booklet is to include a brief description of each subject in the curriculum, a discussion of extra-curricular activities, rules and regulations, blue prints of the three buildings, songs and yells, traditions, and a daily schedule.

The student council has fulfilled its purpose: to arouse a spirit of loyalty toward school, to promote good citizenship, to sponsor school activities, to extend a feeling of good fellowship among the students, and to foster a spirit of cooperation between students and faculty.

Debate-Declamatory

This year the Hastings High School debating squad, under the direction of H. L. Siekman, completed a very successful season in interscholastic invitational contests. Out of one-hundred and fifteen decision debates, the class of twenty-one students won ninety-five. The squad participated in six invitational tournaments.

The entire class took part in winning at Kearney when only two defeats were encountered in thirty-eight debates. Four teams were responsible for the trophy in the Class A division of the tourney held at Lebanon, Kansas. Nick Douvas and Jerry Scoutt won the annual Doane College contest and reached the final round of the Hastings College tournament. Hastings' teams advanced to the quarter-final round of the Midland and the Peru College meets. The records made at these state-wide contests placed Hastings among the leaders in forensic work.

Jerry Scoutt was judged the best debater in the Doane College and Hastings College annual invitational tournaments. He was awarded a one-hundred dollar scholarship by each college.

At the District IV debate tournament, held here March 18, Jerry Scoutt and Nick Douvas took top honors, making them eligible for state competition.

They defeated the Benson team in the finals of the state tournament, held in Lincoln on March 31 and April 1, to win the state debate championship, the first in the past twelve years.

Declamatory contestants, under the direction of F. M. Hawk, climaxed a successful season by sending three representatives to the state declamatory contest held in Columbus on April 12.

Representing Hastings in the state declam. were Bill Cowger, Dick Yarnall, and Nick Douvas in the oratorical declamation, dramatic reading, and original oratory division respectively. All three placed first in the local contest and were awarded superior ratings at the district meet. Bill Cowger and Dick Yarnall were also awarded superior ratings at the Hastings College tourney, and Nick Douvas won first place at the Doane College Contest. Nick Douvas and Bill Cowger were rated excellent at the state contest.

The one-act play, "A Good Axe", whose cast included Margery Hall, Jack Bennett, and Dick Yarnall, won superior at Hastings College and excellent in the district tourney. Dick Yarnall won third in the individual actor contest at Hastings College.

Lyle Thomas won first in the local, and excellent in the district meet in extemporaneous speaking. Donis Paro won first in humorous reading at the local contest and second at Kearney. Helen Myers won second in an original humorous reading, and Mary Ann Briggs won third in original oratory at Hastings College.

Hi-Y

The purpose of Hi-Y is "to create, maintain, and extend throughout the school and community, high standards of Christian character." The club is open to all high school boys who will strive to live up to this purpose.

Hi-Y is made possible through cooperation between the Y. M. C. A. and the high school. This connection has existed since October 15, 1923. Marvin Fink has been sponsor of the organization for the past four years, and Henry Choquette, Y. M. C. A. representative, has been co-sponsor for two years.

Twice a month, the club held supper meetings. Interesting talks and discussions by guest speakers were heard by the group. One of the most outstanding talks, given by Reverend J. W. Wichelt, pastor of the Evangelical Church, was heard at the alumni banquet. Of great moment to the boys was a discussion on life in the navy, led by Mr. Gilbert Charles, navy recruiting officer for this district.

Hi-Y activities continue throughout the year. The National Conference was held in Berea, Kentucky, June 25-29, 1938. Bill Kramer and Jerry Scoutt represented the Hastings Club. The club was represented at the State Hi-Y Camp at Shelton, and at the state conference at Lincoln, Nebraska.

The enthusiasm shown by members this year has resulted in a wide variety of activities. Several editions of the "Hi-Y News", edited by Ronald Wankel, were published, and seven gross of pencils, on which were printed the Tigers' football and basketball schedules, were sold. Proceeds from these sales were donated to such organizations as the Goodfellows. The annual Hi-Y Mother-and-Son dinner was held in the spring.

Library Club

The Library Club is an organization consisting of students interested in library work. In order to belong, students must comply with the rules and regulations made by Miss Glen H. James, school librarian and sponsor of the club. Applicants must be recommended by three teachers who rate the applicant upon his accuracy, scholarship, resourcefulness, dependability, and personality.

The aim of this club is to assist in making the Hastings High School libraries useful factors in the school life of the students, to help teach the students to use the library to the best advantage, and to give those interested in librarianship a practical opportunity of becoming acquainted with library methods.

At meetings, which were held twice a month, various phases of library service were discussed. The members were given instructions on the use of books and libraries, each having his special duties which he performed, according to a schedule.

F. F. A.

The Hastings chapter of F. F. A. was organized in 1928. Its purpose is to give boys training in organization, in development of leadership and in the encouragement of thrift and cooperative effort.

Requirements for membership are: the boy must be a vocational agriculture student, he must have a project, and he must receive a majority vote of the other members. There were twenty-six members in the organization this past year.

F. F. A. meetings were held twice a month and continued throughout the summer. The usual program consisted of a business meeting followed by recreation. Special features were entertainments by guest-speakers, a parent-and-son banquet and the annual summer picnic.

Each year every boy plans and executes some agricultural project. This year the group took a tour during which each member's project was visited. Many of these projects will be exhibited at the Adams County Fair in the special F. F. A. division.

Annually the club enters the State Judging Contest at Lincoln. Each boy may enter individually, or with other boys as a team, in any department. However, one boy only may represent the club in the public speaking division.

The National Convention held in Kansas City was attended by Fred Kreinheder, Clifton Nixon, Dixwell Lathrop, Keith Berger, and Mr. A. W. Epp, sponsor.

Science Club

Science Club is open to eleventh and twelfth grade students who show active interest in science. The regular meetings, which were held the second Tuesday of each month, were planned so that they might be beneficial and instructive, as well as entertaining, to the members. Two social events were held during the year.

The organization had a number of interesting programs throughout the year. Among them were a paper on sciences, written and read by Mr. Watson; an illustrated talk, "A Round Trip to Davey Jones' Locker", a discussion of Dr. Beebe's bathysphere expedition, given by Jim Hewett; pictures of the Tri-County dam at Ogallala, explained by Rogers Cannell; and a lecture on the art of photography by Mr. L. O. Seger.

These programs have made Science Club a truly worthwhile organization and have contributed much to the success of the club.

Sponsors were Miss Gertrude Loper, Miss Mary Hoagland, and Mr. Paul H. Jacobs.

The National Honor Society

The National Honor Society is an organization based upon scholarship, character, leadership and service. It is the ambition of many high school students to belong to this group which aims toward the making of an all-round student. The members are chosen from the upper third of the senior class. The emblem of the organization is a pin which signifies its goal. As the society is honorary it holds no regular meetings, but officers are chosen to represent the groups. It is organized under the supervision of Miss Brower.

Kearney Contestants

Contestants for the scholastic contest at Kearney were chosen according to their ranking as students with attention to their grades, citizenship and ability to think clearly and quickly. Each contestant may enter in as many as three subjects.

Hastings' record this year, as in previous years, was one of which the school is justly proud.

Cub Club

Under the "cheerleadership" of Lucille Wentink, Mary Ann Briggs, Joe Robinson, and Clifford Haskin, the Cub Club ended a very successful year.

The aim of this club is to promote pep and enthusiasm, and to keep the cheering uniform at each game. Before being admitted as a member, each girl is judged on her character, marching ability, appearance, and originality.

Under the sponsorship of Miss Lotta Jo Oliver, its activities included selling season basketball and football tickets, sponsoring pep meetings, and performing stunts between the halves of the games. Its first performance took place at Grand Island, where the girls marched onto the field, forming the letter "H".

This year the club voted to change the style of the sweaters. In place of the customary heavy sweatshirts, they purchased orange wool sweaters with black and orange tigers and emblems. With these sweaters and the larger number in the club, the girls made an impressive showing.

Th cheerleaders themselves were outstanding. Mary Ann, Joe, and Clifford were new this year; Lucille had served in her junior year.

BACK ROW: Asst. Coach Cummings, Hayes, Davies, Little, Taylor, Bird, Whelan, Greenlief, Uridil, Bennett, Student Mgr. Chadderdon, Coach Miller.

SECOND ROW: Hayter, Nodlinski, Rose, Hagstrom, Weiler, Stiner, Miller, Woods, Dier.

FIRST ROW: Mace, Bonahoom, Webb, J. I. Norris, Douvas, Cowger, Durham, Kramer.

Football Regulars

'38—'39

Last fall the prospects for the football team were very promising when ten lettermen returned. With these men as a foundation, Coach Miller built a fast and aggressive team. The Tigers entered the first game of the season to come out victorious. Although this year's record was not so impressive as that of past years, the boys displayed stellar football at times. Probably the most interesting game of the entire season was the decisive victory over the highly touted Grand Island aggregation.

Nick Douvas was chosen on the first All-State eleven, picked by Gregg McBride, and was considered one of the best guards in the history of Hastings High School football. Bob Bonahoom and Doug Davies received honorable mention.

Francis Greenlief, lettering for the third consecutive year, was the only player to receive three stripes.

Twenty-three of the squad lettered during the season:

SENIORS: Jack Bennett, Don Bird, Bob Bonahoom, Bill Cowger, Doug Davies, Junior Dier, Nick Douvas, Fran Greenlief, John Hagstrom, Tom Hayes, Vernon Hayter, Bill Kramer, Chuck Little, Ray Mace, Kenneth Nodlinski, Waldine Rose, Jack Uridil, Pauly Weiler, Gene Woods.

JUNIORS: Jerry Durham.

Football Reserves

Under the efficient coaching of Roy Bassett, the Tiger Reserves ended a very successful year, winning three out of four games, and losing only to the G. I. Reserves.

In the Harvard game, the first tilt of the season, Wallace Hopp, and Bob Newman, sophomore halfbacks, were stars of the game. Hopp made two of the four touchdowns.

Their second victory was over the Kearney Reserves. In this game, Coach Bassett used thirty-five men. Outstanding players were Bob Newman and Vernon Smith.

At Grand Island the Tiger Cubs met a stronger opponent and lost a hard-fought game.

In the final tilt of the season with Nelson, Wallace Hopp again was the ace player. Of the three touchdowns, Hopp scored two; the third was made by Bill Nelson.

Basketball Regulars

Playing one of the hardest and longest schedules in the history of the school, Coach Miller's team was worthy of much praise and recognition.

The former lettermen Davies, Dunbar, Kramer, Little, and Weiler formed the nucleus of a strong team which featured speed and accurate passing.

Of the nineteen games played, the team was twice defeated on its own court, by Creighton Prep and North Platte, the latter winning only by a two-point margin gained in an extra period of play. Three games were lost away from home. Among the victims of the Tigers were Lincoln, 1938 State Champions; Jackson, runner-up in the 1939 state tournament; and Benton of St. Joe, Missouri.

Starting the season, Hastings defeated St. Paul and Harvard in the first night of play. A few weeks later the Tigers trounced Lincoln on the Capitol City's court, 48 to 26, one of the season's high-lights. Grand Island was defeated on the local floor in a game thrilling from start to finish. The season came to a close with two consecutive overtime games, the only extra periods of the season. As a result of defeating Beatrice, Crete, Fairbury, and Jackson, and by losing to York only, Hastings became co-holder of the newly formed Mid-East Conference.

During the "Class A" district tournament held at Hastings, the Tigers easily outclassed the very capable teams of St. Paul, Sutton, and Nelson, but were defeated the second time by York in the final round of tournament play.

Hastings went to the state tournament at Lincoln as runner-up in the district, but dropped out of the running when they fell victims of Omaha's Creighton Prep in the initial round. Although they played in the first round only, Dunbar and Davies received honorable mention for outstanding tournament performance.

In spite of the fact that the Tigers had a much smaller team than in recent years, their fast passing and splendid ball handling were superb throughout the season.

Lettermen of the team were Dunbar, Davies, Kramer, Little, Weiler, Payne, McCue, Fuller, Hartman, Miller, and Van Wie. Dunbar was the only three year letterman on the team.

Their most exciting game was the one with Ayr. During the extra period Giles Komarek made a free throw which ended the game 25 to 24 in favor of Hastings.

The Reserves were composed of twenty-seven players. Most of them were juniors or sophomores, thus they were receiving excellent training for future work on the regular team.

High scorers of the season were Kenneth Crabtree with 16 baskets; Jerry Durham, 15 baskets; Paul Whelan, 13 baskets; Merle Munroe, 12 baskets; Wallace Hopp, 9 baskets; and Bob Burroughs, 9 baskets.

G. A. A.

The purpose of G. A. A. is to standardize and promote ideals of health and sportsmanship, and to guide and encourage organized and unorganized recreational activities.

To be eligible for membership the girls must be senior high students, must earn a definite number of points during the first four months of the school year, and must pass a physical examination.

Four awards which might be won were the two local and the two state letters. The organized sports were combined with the unorganized in winning the required points. Unorganized sports were skating, hiking, shuffleboard, tennis, swimming, badminton, and ping-pong, while the organized included hockey, basketball, volleyball, soccer, Nebraska ball and baseball. Each sport season was concluded by inter-class, round-robin and other tournaments.

Miss Edwina McConchie, new to Hastings High this year, has sponsored this group of fifty girls.

Senior High Orchestra

The Hastings High School Orchestra, under the direction of M. H. Shoemaker, is considered one of the finest musical organization in the school. It is also the largest, consisting of approximately seventy members.

Soloists and small groups represented the school at the annual district music contest in Kearney this year. Part of the orchestra played at both the junior and senior high operettas, senior class play, senior baccalaureate, and the Kosmet Klub presentation of "Aaron Slick."

Numerous student-conductors displayed their talent by assisting Director Shoemaker at these various programs. Concertmistress Mary Helen Schultz also conducted the orchestra. The string quartette, another outstanding group of musicians, was composed of Mary Helen Schultz, Phyllis Weyer, Burniel Greenwood, and Helen Koelling.

Senior High Band

Hastings High School Band, under the direction of M. H. Shoemaker, consisted of approximately 100 members, the largest number in the history of our high school bands. New features and new stunts at basketball and football games, concerts, parades and other programs have shown individual talent in the organization. Drum Major Jack Barnes, who won a superior rating at Lawrence, Kansas, last year was highly commended on his flaming baton-twirling act. Bob Hall, first semester drum major, made an A1 appearance with his high-class stepping in the march. A series of exhibitions were also presented with the Cub Club.

The organization was represented at numerous home football and basketball games, one out-of-town game, two concerts, four parades, the band clinic, and the annual district music contest. Numerous soloists and small instrumental groups were included in these. Because of its size the band was divided into two parts, the orange and the black. Each played for alternate basketball games.

The Massed Chorus

During the fall a program was presented by the "Massed Chorus" under the direction of Miss Cass.

Its members were the entire Girls' Glee Club, Boys' Glee Club, Senior-Junior Chorus, and Tenth Grade Chorus groups. The total was about seven hundred.

Selections were given by the individual groups, and by the complete chorus.

BLOW WITH THE WIND

Instead of the commercially arranged and planned performance as of past years, Miss Cass drew into a Music Revue the various songs which represented the four winds. Russia, beautifully depicted by music in a setting of white costumes and scenery, typified the North. The West had its setting on the range where cowboys sang their ballads about the campfires. The dainty Japanese girls in their Oriental music and dance portrayed the East. Lastly the South, with the negroes, gave its story in folk song and spirituals.

Linking the groups to one another was a group of travelers who by their songs led from one scene into the next.

BACK ROW: Lightner, Tripp, Neal, Corbin, Rollins, Felker, Lyon, Rosenberg, Dudek, Munroe, Crabtree, Snyder, Cannell, Heath, Witt.
 SECOND ROW: Ver. Hoff, Vir. Hoff, Loudon, McKean, Pratt, Fischer, Payne, Robinson, Johnson, Sypherd, Long, Krug, W'ankel, Bauder, Bogan, Virus.

 PIANISTS: Koelling, Mrs. Warrick.

Boys' Glee Club

This group, under the direction of Miss Jeannette Cass, numbered approximately sixty members.

Much music of classical nature was produced by these boys. Perhaps their outstanding numbers included "Temple Bells", by Tindin and several negro spirituals.

The boys' octet was composed of Hubert Payne, Don Fischer, Joe Robinson, Richard Johnson, Perry Long, Dale Sypherd, Edwin Krug and Ronald W'ankel.

Mixed Glee Club

The combined groups of the boys' and the girls' glee clubs formed this organization. From it were selected several soloists for programs and contests, a mixed triple quartet, and other groups of mixed voices.

The Mixed Glee Club presented a December concert, a program for the Rotary Club, a Lenten Vesper Service, and the Musical Revue; "Blow With the Wind".

Girls' Glee Club

Miss Cass's baton directed this club throughout the past year. The organization numbered about eighty girls, the largest Girls' Glee for several years.

The outstanding numbers were Bach compositions, as, "Jehovah, I would Sing Thy Praise." Many other compositions of a lighter type were sung also.

Selected from this club was the girls' sextet: Helene Burchess, Marie Gaiman, Treva Sheeley, Erla Mae Cramer, Gloria Kellogg, and Audrey Schleiger.
